LUIS CLARK C. CADUNGOG

Cebu City, Philippines | 0921 828 1934 | luisclarkc2004@gmail.com

PROFESSIONAL SUMMARY

I am an Information Technology student at Cebu Eastern College seeking an internship to apply academic knowledge to practical IT projects and contribute to a professional team. Familiar with UI/UX design, documentation, visual content creation, and data analysis. I am willing to learn, get feedback, and support project goals with a responsible and collaborative approach.

EDUCATION

Bachelor of Science in Information Technology | Cebu Eastern College, Cebu City
2023 – Present

Senior High School – STEM | Tisa National High School, Cebu City
2021 – 2023 | Graduated with Honors

Junior High School – CSS | Abellana National School
2017 – 2021 | Graduated with Honors

Project Experience

AgriLink | Academic Capstone Project

- Contributing to the design of an IoT-based smart agriculture monitoring and AI recommendation platform for farmers in Barangay Bitoon, Daanbantayan, Cebu.
- Working on system requirements, research documentation, data analysis, and project planning.
- Exploring real-time farm monitoring, AI-assisted recommendations, and notification features.

Patintero | Game Development Project

- Contributed to the digital adaptation of the traditional Filipino game Patintero, incorporating Filipino cultural elements and Cebu landmarks into the design.
- Worked on visual design concepts and game presentation.
- Developed a design using Roblox Studio with firsthand knowledge.

TECHNICAL & CREATIVE SKILLS

- UI/UX and prototyping: Figma
- Documentation and productivity tools: Microsoft Word, Excel, PowerPoint
- Graphic design: Canva
- 3D modeling and game development environment: Roblox Studio
- Video editing
- Data analysis

ACADEMIC & PERSONAL STRENGTHS

- Able to prepare organized documents and presentation materials.
- Creative approach to visual design and digital content.
- Willingness to learn new tools, follow instructions, and collaborate with a team.

AWARDS & RECOGNITION
